PERSONAL SUMMARY

A highly motivated and experienced PA, currently looking to resume my professional career after dedicating the last two years to raising a family. Excellent admin skills, thorough knowledge of digital design, as well as extensive experience in busy companies. After working at freelancer to refresh my skills, now fully committed to continuing my graphic/digital and web develop career on a full/part-time basis.

A proven ability of developing projects from inception through production (graphic design) to final delivery (print, web, digital), ensuring that all work is effective, appropriate and delivered within agreed timescales.
